

BlueDiamond®

condensate removal pumps

MicroBlue®

With no additional silencing accessories required, not only is the MicroBlue® a silent running pump but it can also be mounted in any orientation whilst operating both wet and dry continuously. The MicroBlue® is a dual voltage pump which uses proven thermistor level sensing technology to remove the risk of stuck or sunken float switches.

Performance

17dba

Max flow	Max head	Max suction lift
5 litres/hour	5 metres	2 metres

Sensing Options
